

Please help raise money for our school.

It's easy ...

...next time you buy something on-line,
Instead of shopping directly through your
chosen store - go to
easyfundraising.org.uk - and shop with your
chosen store via this website.

For each purchase you make you will
generate a cashback donation to the school
at no cost to you.

See inside for more details of this
wonderful scheme and help our children
benefit from the extra money raised.

How it works

Easyfundraising.org.uk provides a FREE service where you can shop with your favourite online stores, and at no extra cost raise funds for our school. You still shop directly with each retailer as you would normally, but simply by using the links from easyfundraising.org.uk each purchase you make will generate a cashback donation to the school.

If you already shop online, why not help the school at no extra cost from the purchases you would normally make anyway. You pay the same prices exactly as if you had visited each retailer's website directly. Using easyfundraising.org.uk will not cost you a penny more.

Why do retailers support our fundraising?

It seems very generous, but when you buy online the cost to the retailer is much lower, as there is no shop, salesperson, heating, electricity, rates etc. Therefore, retailers are more than happy to help a good cause, like our school, when new online customers are introduced to them via the easyfundraising.org.uk website.

How much will I raise?

Up to 15% of every purchase is donated to the school, depending on which retailer you select and what you buy. The exact donation that will be paid is displayed next to each retailer listing. With some categories such as mobile phones and insurance there is a cash value rather than a percentage of the purchase made.

Am I dealing with the retailer or easyfundraising?

You are still dealing with each retailer, easyfundraising.org.uk simply record your visit to their website and reward the school when you make a purchase.

How to make sure the school will benefit from your purchases?

To start with you need to register with easyfundraising.org.uk as a user of their service. From their home page you need to click on 'register a user'. You can then set up your details, choose a password and register the school as your chosen organisation to support.

Then just remember to use easyfundraising.org.uk every time you shop.

Which retailers take part in this scheme?

There are so many retailers and service providers, big and small, who are part of the scheme, too many we can not list them all here. However, it's easy to search for which retailers are part of the scheme and shop with them once you have registered. You can buy all sorts of goods and services via easyfundraising.org.uk just like you would normally do online from car/house insurance, to holidays, flights/ferry crossings, mobile phones and broadband, to stores that you would normally shop at in the High Street or online with.

The following list is by no means exhaustive:
