23rd March 2020

Dear Parent of _____

The Government has announced that they will be making provisions to supply meals and vouchers for children eligible for Free School Meals, during this unprecedented time of national school closures due to the impact of coronavirus (COVID-19). The guidance we have received as schools, so far, advised that the government are still working on their national approach to provide support through supermarket and shop vouchers.

As the government scheme is not yet up and running, we would like to offer you the enclosed Sainsbury's Shopping Card to enable you to purchase food as from today, Monday 23rd March, during the term time. Please note these cards are only to be used to purchase food items, not tobacco and alcohol products or lottery tickets.

The card has been credited with £23.00 which is the value for two weeks to take you until the end of term. If the government scheme is not up and running after Easter we will make arrangements to top-up the cards so please ensure that you keep the card safe at all times.

We will be in touch via our usual communication methods to update you on how the national scheme will operate and what your options are, when we know more. If you have any queries in the meantime please contact the school on the usual email address, parents@sandfield.surrey.sch.uk

Please can you acknowledge safe receipt of the card for your child by sending the school either a StudyBugs message or email.

Kind regards

Mrs Jane Cregan
School Business Manager

Headteacher: Mrs Kate Collins
