

SPORT PREMIUM OVERVIEW

Academic Year 2017 – 2018

OUR VISION

At Sandfield we believe that Physical Education (PE) and Sport is an essential part of a child's educational development. We aim to develop a balanced programme, both during and out of school hours, offering a variety of activities to enhance fundamental skills in PE and Sport. Positive participation in PE will enable children to build, improve self-esteem, team work and positive attitudes to PE; this will ultimately contribute to the lifelong healthy movers that we wish to develop at Sandfield.

We aim to equip children with skills to enable them to:

- Develop confidence, skills and knowledge
- Be proud of their achievements
- Promote fair play and respect amongst one another
- Strive for excellence
- Improve their health and wellbeing.
- Develop into lifelong healthy movers

We welcomed the Government's announcement in June 2013 to provide additional funding to improve the quality and breadth of Physical Education and Sport provision in Primary Schools. We are committed to using this resource to develop high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all our children.

SPORT PREMIUM GRANT

Funding for schools is calculated by the number of primary aged pupils (between the ages of 5 and 11) and at the annual census in January. All schools with 17 or more primary aged pupils receive a lump sum of £16,000 plus a premium of £10 per pupil. Schools will be held to account for how they spend the sport funding.

Total number of Sandfield pupils aged between the ages of 5 – 11 (January 2017)	176
Total amount of Sport Premium Grant received	£17760

'Schools must spend the additional funding on improving their provision of PE and Sport, but they will have the freedom to choose how they do this' (DfE June 2013).

Sandfield Primary School Sports Premium this year will contribute to:

- Professional development opportunities for all teaching staff to ensure a consistent high standard of Physical Education provision across the school.
- Increasing the variety and number of extra-curricular sporting opportunities available to all children at Sandfield. This includes the introduction of clubs such as dodgeball and Multi-Skills to our already outstanding range.
- Hiring specialist PE teachers and qualified Sports Coaches to work alongside Class Teachers when teaching PE.
- Providing professional development opportunities in Physical Education/Sport. So far staff have attended sessions on Gymnastics and Dance
- Providing cover to release Class Teachers for professional development in Physical Education/Sport
- Running sport competitions and increasing participation in school games. This includes Cross Country, Football, Rounders, Golf and Tag Rugby, Athletics.
