Nationally, Looked After Children significantly underachieve and are at greater risk of exclusion, compared with their peers. Schools have a major part to play in ensuring that Looked After Children are enabled to be healthy, stay safe, enjoy, achieve, make a positive contribution to society and achieve economic well-being.

## Definition

For the purposes of this policy, a child 'looked after by a local authority' is one who is looked after within the meaning of section 22 of the Children Act 1989 or Part 6 of the Social Services and Wellbeing (Wales) Act 2014.

'Looked After Children' are registered pupils that are in the care of a local authority or who provided with accommodation by a local authority in the exercise of its social services functions, for a continuous period of more than 24 hours.

A previously looked after child is a child who is no longer looked after in England and Wales because the child is the subject to a child arrangements order, which includes arrangements relating to who the child lives with and when they are to live with them, a special guardianship or has been adopted from 'state care' outside England and Wales.

Sandfield Primary School recognises that Looked After children may have very specific needs and may be coping with trauma, abuse or rejection, and are likely to experience personal distress and uncertainty.

Sandfield Primary School is committed to its role in ensuring that 'Looked After' and 'Previously Looked After' children are able to feel safe, to be healthy, to achieve and to feel that they are supported in order to be successful in the community.

## School Commitment

LAC are at greater risk of not realising their full potential and having poorer outcomes in terms of physical health, emotional health and educational attainment. They are also at greater risk of expulsion compared with their peers. Sandfield Primary School is committed to ensuring the welfare and achievement of LAC and PLAC children in the following ways:

- Providing a safe and secure environment is provided, where education is valued and there is a belief in the abilities and potential of all children
- Supporting our looked after children to allow them every opportunity to reach their potential, achieve more than they thought possible, to enjoy learning and to be an active member of our school community, including participation in clubs
- Promote attendance and inclusion
- Achieving stability and continuity
- Providing early intervention and prioritizing actions
- Promoting health and well-being
- Minimising exclusions and promoting stability
- Ensuring a suitable member of staff is trained and appointed as the designated teacher for looked-after and previously looked-after children (Claire McIlroy)
- Ensuring that the designated teacher promotes the educational achievement of looked-after and previously looked-after children, and supports other staff members to do this too
- Maintaining and respecting the child's confidentiality wherever possible
- Promotes communication between staff, parents, carers and guardians and to ensure that the child is listened to
- To ensure that all policies and procedures are followed for LAC and PLAC children as they would for all children
- To work with the Virtual School and ensure that carers and social workers are kept fully aware of progress and attainment. **The Virtual school head (VSH)** is a local authority officer responsible for promoting the educational achievement of their authority's looked-after children, working across schools to

monitor and support these pupils as if they were in a single school. The VSH is also responsible for providing information and advice to schools, parents and guardians in respect of previously looked-after children.

- All LAC will have a **Personal Education Plan (PEP)** developed with the school, the child, the child's social worker and it forms a record of what needs to happen and who will make it happen to ensure the child reaches their full potential.

Information on looked after children will be shared with school staff on a "need to know" basis The Designated Teacher will discuss what information is shared with which school staff at the PEP meeting. Once this has been agreed with the social worker, carer, young person, and other parties, complete confidentiality is to be maintained.

## **Record keeping and information sharing**

The Designated Teacher will keep an up-to-date record of Looked After Children and Young People in school and will ensure that relevant information is made known to appropriate staff. A Personal Education Plan will be initiated within 20 school days of the Looked After Child or Young Person starting at the school or being taken into care and will be reviewed regularly and as necessary and appropriate to meet the needs of the LAC/YP. The PEP will provide a regular opportunity to review progress, note any concerns and ensure that all relevant parties are informed accordingly. Copies of reports and appropriate documentation will be sent to authorised carers and agencies involved with the child as well as any receiving school at point of transition. It is vital that the Looked After Child or Young Person is aware of information being recorded, in what circumstances and who will have access to it. How this is shared with them will depend on their age and level of understanding.

This policy is to be read in conjunction with the Department of Education's published document 'Promoting the education of looked after children and previously looked after children' 2018
