Monitoring, Observation and Validation

- Learning walks
- Pupil voice
- Book scrutiny
- Staff meeting

Professional Development Opportunities

- Primary science network meetings
- Own your science; Science on a shoestring – Learning partners CPD
- Subject Leader training - Trust

Sandfield Primary School – Curriculum Intent

At Sandfield, we strive to ensure that all children, whatever their background, starting point and life experience, develop a strong grasp of the key learning skills, attitudes and knowledge they need to make an excellent start to their primary education and beyond. Our curriculum is a curriculum for all learners. It is ambitious, broad and balanced, designed to stimulate a love of learning, through challenge, learning together and for all to achieve success. Our curriculum is delivered through carefully crafted experiences of enriching activities, which give children first-hand knowledge, key skills and the rich vocabulary they need to empower their future success.
