

MESSAGE FROM MRS COLLINS

Happy Holidays

Today, we said a fond farewell to our wonderful Year 6, as they leave Sandfield to embark on their new adventures.

They have been an amazing year group, achieving so much. They show respect and kindness to all and they have gained the "Yes I can" attitude. Year 6 are ready for their next stage of education and they will give all new opportunities a really good go. We are so proud of each and every pupil.

Every child also received their Sandfield Star today, as being part of their class. Every year group shared their highlight of the year. It was great to look back and celebrate so many magic moments.

We look forward to seeing everyone in September.

Be happy and stay safe.

All best wishes

Mrs Collins and the whole Sandfield team
