Action Plan for Modern Foreign Languages (French)

Leader Louise Dorman

Date 2023/2024

## Intent Statement

We intend for all children to develop positive attitudes towards other languages and cultures, through regular stimulating and enjoyable lessons which build confidence and promote the skills of listening, speaking, reading and writing. By the time they leave Sandfield Primary School, they will have acquired an understanding of both spoken and written French, confidence to speak in French with others and know how important other languages can be in their future.
