

SPORT PREMIUM OVERVIEW

Academic Year 2024 – 2025

July 2025 Review

OUR VISION

At Sandfield we believe that Physical Education (PE) and Sport is an essential part of a child's educational development. We aim to develop a balanced programme, offering a variety of activities to enhance fundamental skills in PE and Sport. Positive participation in PE will enable children to build, improve self-esteem, team work and positive attitudes to PE; this will ultimately contribute to the lifelong health habits that we wish to develop at Sandfield.

We aim to equip children with skills to enable them to:

- Develop self-belief, skills and knowledge
- Be proud of their achievements
- Promote fair play and respect amongst one another
- Strive for excellence
- Improve their health and wellbeing.

SPORT PREMIUM GRANT

Funding for schools is calculated by the number of primary aged pupils (between the ages of 5 and 11) and at the annual census in January. All schools with 17 or more primary aged pupils receive a lump sum of £16,000 plus a premium of £10 per pupil. Schools will be held to account for how they spend the sport funding.

Guidance

PE and sport premium for primary schools

Schools must use the funding to make additional and sustainable improvements to the quality of their physical education (PE),

physical activity and sport.

This means that you should use the premium to:

Develop or add to the PE, physical activity and sport that your school provides build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Schools should use the premium to secure improvements in the following 5 key indicators.

Engagement of all pupils in regular physical activity, for example by: providing targeted activities or support to involve and encourage the least active children encouraging active play during break times and lunchtimes establishing, extending or funding attendance of school sport clubs and activities and holiday clubs, or broadening the variety offered adopting an active mile initiative raising attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2. Every child should leave primary school able to swim.
